

Join the LIBRARY GIFT CLUB!

Looking for that special gift for a child, teacher, or friend? Rather than searching gift stores and toy stores for that elusive “perfect present,” join the Library Gift Club by purchasing a book for the LCE school library. You will be honoring that special person and giving pleasure to many children for years to come. Each book donated to the library will feature a bookplate with the names of the donor and honoree.

At the end of the school year, we will host a “Library Gift Club” Party. All donors and honorees that participated in this program will be invited to the party.

Questions? Please contact Jean Cunningham.

You may purchase a hardback book (\$20 value) or include a check for \$20 or more, payable to “LCE PTA”. Please return this form and donation to Mrs. Bahrami, our school Librarian. (Please do not leave your donation in the main office.)
